Protection of Children from Sexual Offence (POCSO) Act 2012

All children have an equal right to access education in an environment that is safe, protective and conducive to the overall development. The challenges of gender inequality, eve teasing and sexual abuse in school environment call for increased awareness and creating synergy among parents, teachers and schools.

In order to ensure strict compliance of the Protection of child from sexual offence (POCSO) Act 2012, CBSE has taken several initiatives and actions for creating awareness about sexual exploitation among the school children.

Role of Schools

1. Teachers, Management and all employees of institutions need to be made aware about the provisions of the Act, some of which cast a duty on them to report instance of child abuse, as in Sections 19(I) and 21.

2. **In- house induction sessions should be held** for all teachers to include a specific module on gender sensitization.

Sexual offences committed by the persons who are in the ownership, management of staff of education institutions and persons in positions of Trust and Authority over children are liable for higher punishment as per the provisions of the Act.

3. School/Classroom Environment

Schools must ensure and promote a harmonious school/classroom environment and inclusiveness.

4. Provision for guidance and counselling facilities in schools

Teachers in general should be trained to attend to adolescent (gender) related issues, conduct of adolescent education programmes and special activities that promote gender equality and sensitivity.

5. Programmes for empowerment of girls

Camps on sensitization of girls on health and sanitation issues, karate/ self defence training of girl students should be conducted at regular intervals. Programmes like folk dance, nukkad natak, poster competitions, quiz, debate, and exhibition can also be conducted to foster gender equality.

6. **School Complaints Committee** consisting of Principal/Vice- Principal, one male teacher, one female teacher, one female student, one male student and one nonteaching staff member must be set up to serve as complaints and redressal body. An improved response system and alert administrative machinery is required to take immediate action on reported cases of misbehavior.

7. **Complaint / Suggestion box** should be provided in each school so that students can make written complaints. Any complaint of sexual abuse, whether received through the drop box or otherwise needs to be acted upon immediately.

8. **Provision for CCTV cameras** should be made in school premises at all strategic places along with the warning.

9. Monitoring and Identification

Close monitoring of academic performance and psychological behaviour particularly in cases of sudden decline in performance, lack of interest, depression and aloofness should be noticed to give proper counselling to the children.

Informal conversations with the students by way of discussions with peers and planned observations in hostels, classrooms and playground can also be helpful.

10. **Toll Free number and child helpline** may be provided and made known and displayed on notice board along with names of teachers designated to handle such cases. Centralised Child helpline number 1098 must be popularised and displayed at prominent places in the schools. School management and staff are expected to create awareness and participate in averting such offences as part of their foremost duty.

POCSO COMMITTEE 2025-26

The child abuses monitoring committee (CAMC) consisting of the following members is constituted under Protection of children from sexual offences act (POCSO ACT) 2012.
